GENERAL TERMS OF BUSINESS

Valid from Januar 2010

1. General Terms

The general terms and conditions of business are valid for sales through the company A. Ostermann GmbH (further referred to as gpticketshop.com). Any differing terms and conditions of the buyer may only be valid if confirmed in writing by us. By ticking the Checkbox at the end of the order form "With my order I accept the general terms and conditions of gpticketshop.com", the buyer accepts the terms and conditions and can be held to them.

Our range of items on sale is not binding and subject to change without prior notice. An order placed by any persons 18 years of age or older constitutes a sales agreement as per our terms and conditions. The automated confirmation of the receipt of your order, sent out by email does not constitute the commencement of the contract between buyer and seller. The sales agreement becomes valid once we have sent a receipt to the client.

The client is obliged to fill in the order form fully and correctly. Any damage resulting from false or incomplete information in the order form will not be compensated by gpticketshop.com. As our company does not implement all aspects of the service provided to the customer ourselves, we are obliged to use other qualified 3rd party contractors.

2. The Order Process

The sales agreement comes into effect in the following way:

- 1) On the page, please select the services and tickets (+/-) you wish to purchase, then click on the corresponding "Order" button.
- 2) Next, select your region and specify the payment method, then click on the "Proceed with order" button.
- 3) Please check the contents of your shopping cart.
- 4) Then enter the data required under "Order information". Please remember that we will mail the tickets ordered and paid for to the address provided here.
- 5) After you read and accepted the General Terms and Conditions and the privacy statement, please tick the corresponding box, and then submit your order, which will constitute a contractual offer toward us.
- 6) The contract will eventually be concluded by way of our e-mail confirmation. Tickets that have been paid for in full will be posted with UPS, approx. 2 weeks before the event.

Due to unforeseen circumstances we may sometimes be forced to organise a pick up of your tickets at the race track for you. Naturally you would then be refunded the shipping fee.

3. Contractual Language

The contractual language is English and German. Information, customer service and complaints can be handled in English and German.

4. Prices

Our service will commence once we have received payment in full for the services agreed contractually. Invoices need to be paid in either Euro or USD as stipulated on the invoice. All prices include VAT. All prices are valid at the time of placing the order only. In addition to the advertised ticket price you will be charged a handling fee and shipping costs. The handling and shipping fee will be clearly displayed in the basket and in the order confirmation email. If any monies become payable due to the export or import of the goods due to the shipping, the client is made responsible for these (you can find more information on the subject at your tax office). As we may have to buy a number of tickets from middlemen, there may be differences between the invoiced prices and those printed on the tickets. If the event is cancelled and tickets are refunded, the handling fee will not be refunded.

5. The right to withdraw from the contract

The consumer has no right to withdraw from the contract as per § 18 Abs. 1 Z 10 FAGG of Austrian law.

Recreational activities are defined as activities which take place at a certain defined time and/or date and the contractor is obliged to deliver its services in accordance. If the client is a contractor according to §1 KSchG (or § 14 BGB) of Austrian law, he/she has no right to withdraw from the contract. If a particular category of tickets is sold out, gpticketshop.com has the right to provide tickets of a similar category.

6. Payment

We accept following methods of payment: Credit card (Eurocard/MasterCard, Visa and Maestro). Your credit card data is protected and sent encoded to prevent any unauthorised access to any of your details. The credit card will be charged at the time of billing.

If the bill then remains unpaid another 4 days later, we will cancel the invoice and send you a cancellation invoice.

8. Privacy Policy

You hereby agree and acknowledge that the personal data you provided (name, address, e-mail address, telephone number, fax number, IP number) can be collected, processed, stored and used by the company for market research and marketing purposes, as well as for ensuring legal compliance.
