CONDICIONES GENERALES DEL CONTRATO

General Terms and Conditions

Status August 2024

1. General

The General Terms and Conditions apply to sales by A. Ostermann GmbH (also gpticketshop.com). Deviating terms and conditions of the buyer are only valid if we have agreed to them in writing or in writing. By clicking on the checkbox in the shopping cart before placing the order "I have read and accepted the terms and conditions", the buyer agrees to these terms and conditions and is bound by them. By purchasing the ticket, the customer also accepts the General Terms and Conditions of the respective event organizer.

Our range of offers is non-binding and subject to change. An order placed by a customer with full legal capacity (persons aged 18 or over) constitutes an offer to conclude a purchase contract. The subsequent confirmation of receipt of the order sent by us does not constitute acceptance of the offer. The purchase contract is only concluded as soon as we send the customer the order confirmation.

If offers are submitted to us, the party submitting the offer shall be bound by it for a reasonable period, but at least 4 days from receipt of the offer.

The customer is obliged to provide truthful and complete information on the order form. Damages resulting from incorrect information provided by the customer shall be compensated the customer. Our company does not carry out all the services offered itself and therefore reserves the right to have orders carried out by qualified third parties.

Please note the special handling of digital tickets in order to avoid data loss. Access authorizations may not be misused, copied or altered. The principle of first entry applies to access (the mobile ticket that is scanned and accepted first with its unique identification is the valid one. Subsequent ticket duplicates are automatically invalidated by the first access).

2. Ordering process, order correction, order cancellation

The contract between the customer and gpticketshop.com is concluded as follows:

2.1. you, as the customer, select the desired service and tickets on the website (+/-) and click on the adjacent order button "add to shopping cart".

2.2 You can view the contents at any time without obligation by clicking on the shopping cart button. Now you can see the contents of your shopping cart. You can remove an item from the shopping cart at any time by clicking on the delete button. If you wish to purchase the products in your shopping cart, click the "Continue order" button.

2.3 Please enter your e-mail address. You have two options

2.3.1 Order without a customer account.

In this case, it is sufficient to enter your e-mail address and click on the "Continue order" button

2.3.2 Create and log in with a customer account

Immediately after your registration you will receive your access data in an e-mail.

To log in to your customer account, you will need the login (e-mail address) and password you specified when you first registered. Your data will be transmitted in encrypted form.

For security reasons, the contract data can no longer be accessed via the Internet. You will receive them by e-mail with every order.

2.4 If you continue without a customer account, please enter the required data truthfully in the order form. Please note that the tickets you have ordered and paid for will be sent to the address given there. Select your desired payment method and click on the "Continue order" button.

2.5 Now you are on the order page where you can check your entries again. After reviewing and agreeing to our terms and conditions and privacy policy, activate the adjacent box and send your order to us as a contract offer by clicking on the button "order with obligation to pay".

2.6 The contract is finally concluded by explicit acceptance by us by e-mail and an issued invoice.

The paid tickets will be sent insured by UPS approximately two weeks before the respective event.

2.7 According to § 7b KSchG, the risk of loss of or damage to the goods shall not pass to the consumer until the goods have been delivered to the consumer or to a third party designated by the consumer and other than the carrier. However, if the consumer has concluded the contract of carriage himself without making use of an option proposed by us, the risk shall pass as soon as the goods are handed over to the carrier.

If, due to unforeseeable events, the tickets can no longer be sent, we will ensure that the tickets are deposited on site for the customer (in this case, the shipping fee will of course be refunded).

A detailed description of the ordering process can be found in our store under: FAQ

3. Contract language

The content of the contract, all other information, customer service, data information and complaint handling are offered in German throughout.

4. Prices

We shall commence the service after receipt of payment from the customer in the amount agreed prior to conclusion of the contract. Invoicing is in Euro or USD.

All prices include the statutory value added tax.

The prices are valid at the time of the order including VAT, plus shipping and handling charges. These can be seen in the shopping cart before the contract is concluded and then in the order confirmation sent to the customer. Should export or import duties become due in the course of shipment, these will also be charged to the customer (information on this can be obtained from your local customs office).

As we also have to purchase various cards via intermediaries, there may be discrepancies between the prices printed on the cards.

5. Right of revocation/right of withdrawal/cancellation conditions

Customers have no right of withdrawal pursuant to § 18 para. 1 no. 10 FAGG.

Leisure services are services in the field of tourism and leisure activities if the entrepreneur undertakes to provide his services at a specific time or within a precisely specified period of time when the contract is concluded. If the customer is an entrepreneur according to §1 KSchG (or § 14 BGB), a revocation is completely excluded.

If a certain type of ticket is sold out, gpticketshop.com has the right to provide a ticket of a similar category.

If an event is canceled and the ticket price is refunded, the processing fee will not be refunded. If the tickets have already been shipped, the shipping costs will also not be refunded.
